NFPA Compliant	Yes
No Load Amperage	NA
Full Load Amperage	NA
Shipping Weight (lbs/kgs)	82/35.8
Box Size (ft³/M³)	6.25/.177
Box Dimensions (in/mm)	24 x 18 x 25 610 x 457 x 635

Features: This pump features two tool connections and two tool simultaneous use. The Mach III Outlaw has two separate pumping circuits that operate independently. This pump is available with a 6.5 HP Honda gas engine. The Mach III Outlaw has our patented Overdrive feature. This feature allows one tool to be used at twice the speed by combining the flow from both pump circuits into one, giving that tool more power to cut or spread.
