Comments: Genesis high pressure hydraulic hose is available in four colors and lengths up to 100'. The hoses are available with couplers at both ends, (extension hoses) or with couplers at one end and fittings at the other. (pump hoses) Genesis hoses are steel braided for durability and have a rubber cover for flexibility. These hoses can be used on Genesis rescue tools or any others operating at 10,500 psi with mineral based hydraulic fluid.
